

**Powerful
Portable Cooling**

Powerful Cooling

The all new Master Blaster by PMI is an industrial strength portable evaporative air cooler designed to make cooling large areas a breeze.

Anywhere You Need It

Master Blaster is ideal for Factories, Greenhouses, Outdoor Activities and under tent events, Weddings, Backyard Parties, In the Garage, On the patio, Automotive workshops and just about anywhere you need more cooling.

MB36

10,000 cfm
3/4 HP - 2 spd

MB24

6,500 cfm
1/2 HP - 2 spd

- **No Assembly Required**
Ready to go right out of the box

- **Quiet Operation**
The fan blades are engineered to produce more air with less noise.

- **2-Speed Motor**
Simple two-speed switch with separate pump switch.

- **Rigid Media**
8" thick rigid media cooling pads for efficient cooling and long-lasting performance

Two Sizes

The Master Blaster is available in two sizes to fit your needs. The MB36 is designed to push more air and cool indoor or outdoor spaces making it ideal for outdoor events, large factories and work spaces. The smaller but still powerful MB24 can be placed just about anywhere and is perfect for the patio, garage or even under the event tents at your next party.

Factories

Area cooling for assembly lines, fulfillment facilities, warehouses, manufacturing plants, any industrial facility setting.

Automotive

Workshops, garages, driveways, rental car returns, mechanic shops etc...

Durable Fan Blades

Die-stamped steel fan blades with durable epoxy coating for worry free operation.

Ultra Quiet high-Speed Performance

Even on high speed, the Master Blaster is extremely quiet, making it perfect for gatherings in tight places such as tents and enclosures.

Continuous Fill

Includes Garden Hose Adapter for extended run time.

Rigid Media

8" Rigid Media for high-efficiency cooling

Sturdy Handles

For easy mobility

Exclusive Peblar XT Finish

Locking Castors

Keeps the cooler firmly in place.

18.5 ft Cord

No need for an extra extension cord.

Stables & Ranches

With its quiet operation, Master Blaster is great for use with animals. Perfect for farms, kennels, zoos, indoors or outdoors and so much more...
